ORDER

McMahon, J.:

The Government and the defendants have asked the Court to adjourn the trial of this matter (currently scheduled for May 27, 2008) to June 2, 2008. The Court accedes to that request: The trial of this matter will commence on June 2, 2008, at 9:30a.m.

The final pretrial conference remains as scheduled, Tuesday, May 13, at 10:00a.m. The Court intends to decide the *in limine* motions *sub judice* prior to the final pretrial conference. Any remaining motions will be decided at the conference.

With respect to defendant Rodriguez's supplemental suppression motion to suppress the bullet proof vest, the Court grants defendant a hearing to explore how Detective Goldrick came to know that Rodriguez was wearing a vest. The Court will hold the supplemental hearing at the outset of the final-pretrial conference. Since the Court has already heard at the initial hearing much of the relevant evidence regarding the stop of the defendants, the scope of the supplemental hearing will be strictly limited to how Detective Goldrick came to know Rodriguez was wearing a vest.

This constitutes the decision and order of the Court.
